STATEMENT OF DECLARATION

THIS DECLARATION OF COMPATIBILITY IS ISSUED BY THE MANUFACTURER AND CONFORMS TO ALL APPLICABLE REGULATIONS AND COMMON SPECIFICATIONS.

1. The devices included in the above system or procedure pack have been subject to the relevant conformity assessment procedures by the manufacturer of the device.
2. The devices included in the above system or procedure pack are combined in a manner that is compatible with the intended purpose of the devices and within the limits specified by the manufacturer.
3. The mutual compatibility of the device, and if applicable other products, was verified in accordance with the manufacturers' instructions and activities in accordance with those instructions have been carried out
4. The system or procedure pack was packaged and supplied with relevant information to users incorporating the information to be supplied by the manufacturers of the devices or other products which have been put together.
5. The activity of combining devices and, if applicable other products, in the above-mentioned system or procedure pack was subject to appropriate methods of internal monitoring, verification and validation.
